Sir,

In reference to the communication of the Proceedings of the Government of H. H. the Maharaja of Mysore in G. O. No. G.1509-12/Med.252-34-5 dated 21/23rd August 1935 in the matter of free water supply, I have the honour to state that there has been no charge made for water for my bungalow for 8 years past and thus it would seem that a free water supply is a tacit agreement. If water was not charged for formerly I do not see why it should suddenly be charged for even at half rates now. Under these conditions, I trust Government will see its way to leaving arrangements as they have been in this respect.

In continuation of this office letter No. 12 dated 12.9.35 I have the honor to state, regarding the matter of water tax levied for my bungalow, that it is the agreement that I have free house and garden. The water used in the house is only a fraction of that used in the garden and if there has been no charge to date, I do not see how there can be a charge (even half the amount) levied at this time.

I have received a bill from the City Municipality for water tax for this year and for five previous years, with a statement on it that if not paid by the 20th instant, water to the house will be shut off without notice.

As it does not appear to me that payment of this tax by me should be demanded, I hope Government will be pleased to reconsider the matter in the light of the above circumstances and communicate to the Mysore Municipality ~~your~~ their revised decision in the matter.

26/2

Sir,

With reference to your letter No.G.5734/Med.79-35-5 dated 11/15h January 1936 forwarding a copy of letter No.12 dated 12th September 1935 received from the Durbar Surgeon and Medical officer, Krishnarajendra Hospital in the matter of free supply of water to his quarters etc., I have the honour to state as follows:-

A private building in Government House Road had been occupied by the Durbar Surgeon from 2-2-1927 to end of September 1928 the flat rate of which was duly paid by the owner. From October 1928 onwards the former Deputy Commissioner's quarters in Yelwal Road became the Durbar Surgeons quarters and flat rate on this building up to the end of 1932-33, was paid by the Senior Surgeon out of Departmental contingencies. As usual the bills for the year 1933-34 were sent to the Durbar Surgeon for arranging payment. The Senior Surgeon in his letter No.G.C.80-7 dated 16th October 1934 (copy enclosed) intimated that the charges had to be borne by the occupants of the quarters and not by Government. Accordingly, bills for water charges from the year 1933-34 onwards were sent to the Durbar Surgeon but have not been paid.

The contention therefore that no claim was made for water charges for the past 8 years is not correct; what is meant is perhaps that no recovery was made from the Durbar Surgeon himself towards these charges.

In this connection it may also be submitted that the statement contained in the Durbar Surgeon's letter No.24 dated 14-12-35 that he has received a bill from the Municipality for water charges for this year as well as for 5 years previous is also ~~incornate~~ inaccurate as the bill that was sent to him for the durrent year including the arrears only of 1933-34 and 1934-35.

I have the honour to be,

Sir,

Your most obedient servant,

~~President~~.
